

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

MARCUS L. HARRISON,

No. C 07-959 SI (pr)

Plaintiff,

**ORDER REFERRING SETTLEMENT  
RELATED MATTERS TO  
MAGISTRATE JUDGE**

v.

OFFICER J. SAMPLE,

Defendant.

This action was dismissed after the parties settled their disagreements through the Pro Se Prisoner Mediation Program conducted by Magistrate Judge Vadas. Plaintiff has filed a motion to compel compliance with the settlement agreement and for judicial notice (docket # 77), as well as several letters and miscellaneous documents about the settlement. In light of Magistrate Judge Vadas' familiarity with the terms of the settlement and the undersigned's purposeful lack of familiarity with them, the court now refers docket # 77 and all motions and matters regarding compliance with the settlement to Magistrate Judge Vadas for disposition by him.

IT IS SO ORDERED.
